After-School 2010-2011

Learn and play camp
Pre-k to 6th grade

Main Program

Our children are picked up each day at dismissal from school. Upon arriving our kids will start with a snack that will give them the energy they need to complete their active afternoon.

Our kids are broken up into groups by grade and are assigned to a counselor. Each group of 16-20 kids will be monitored by 2-3 counselors. Our kids will participate in three general program periods. Our youngest children will also participate in arts and crafts, dance, story time and playground periods. You can rest assured, that when your children are at TCR, they will be supervised 100% of the time and will be in a productive and safe environment.

Transport pick-up at school dismissal

To make it easy for you, transportation is provided from all Riverdale schools. An additional fee will be charged for out of town schools. Return transport is also available.

After school activities

Home Work Period

Counselors will monitor assignments and make every effort to have students complete such in the allotted time. If a child needs additional time to complete an assignment, or has a special project, then time will be taken from other activities. Unfortunately, we are not able to provide one on one homework tutoring.

Gym Sports Period

During this period our staff will provide fundamental instruction to enhance sport specific skills. In addition, students will participate in fun movement drills to improve fitness and general coordination.

Swim Period

Everyday our campers have an opportunity to swim. The staff will run drills for skills and allow some time free for swim. **We at TCR feel that participating in swim is beneficial to our campers and require a note from home if a child is not going to swim.**

Parents Pick-up

To add to the convenience of the program, our counselors will escort our departing students upstairs to the new TCR entrance which is located in the center of the driveway between the garage and main lobby entrance. This system prevents the parents from having to find parking and come inside to pick-up their child. We will be bringing children up every 30 minutes from 4 pm – 7:00 pm, on the ½ hour and hour only. Please call ahead!

Special Situations Coverage

If a child is enrolled for less than five days, please note: Days can not be exchanged. If you want a one time additional day, the fee will be \$50. We do not run the program for your child when your school recesses for full day. The program runs when your school recesses for a ½ day.

IF YOUR CHILD IS ABSENT FROM SCHOOL DUE TO ILLNESS, THEY SHOULD NOT ATTEND AFTERSCHOOL.

Add-ons

You may now schedule your child in a weekly swim or tennis class for a full 28 week session to supplement the after school program and have it billed over six payments from October – March. Save \$300 on a swim add-on, get the full 28 week session for only \$700. Save \$400 on our tennis program, get the full 28 week program for only \$1500. You may also purchase a five day camp series to be used through out the school year, which will be billed as above. Save \$75 on a camp. Series, only \$500.

Cool down-late Pickup 6:00 – 7:00 PM

During this period kids can read, do home work and / or enjoy a café meal. The happy camper will be ready for pickup until 7:00 pm for your convenience, at no extra charge. Just in case you have a late meeting, or get caught up in traffic, we will keep a counselor for your child up until 8:00 pm for a \$25 fee, which will be charged at 7:00 PM promptly. Please call in advance to notify the front desk.
